

For LX Designers: Please save as new file, then delete the following layers:
 "LX - House Plot"
 "LX - House Dance Plot"
 Once complete, please build from "LX - Base Layer", or "Active Show LX", or start a new layer.
 Additional pipes available for lighting, upon request.

*Red marks demonstrate an obstruction that prevents the placement of a fixture's C-Clamp on a pipe, unless otherwise noted.
 Please contact with any questions, or if clarification is required.*
